SUMMARY

Frontend Developer with hands-on experience from a 3-month internship, focused on UI development for an e-commerce web application. Skilled in building responsive, user-friendly interfaces using HTML, CSS, JavaScript, and Tailwind CSS, with experience implementing CRUD-based workflows and improving usability across devices. Familiar with Git/GitHub collaboration and currently expanding into backend development with Node.js and Express.js.

SKILLS

Technical: HTML5, CSS3, Tailwind CSS, JavaScript (ES6+), React (Basics), Node.js, Express.js, Git, GitHub, Postman, REST APIs, Responsive Design, CRUD Operations

Soft Skills: Problem-Solving, Communication, Team Collaboration, Adaptability, Continuous Learning, Time Management, Attention to Detail

EXPERIENCE

Full Stack Developer Intern

Unified Mentor   Sep 2025 – Nov 2025

- UI development for an e-commerce web application with a focus on usability and responsiveness
- Built responsive interfaces using HTML, CSS, JavaScript, and Tailwind CSS
- Implemented CRUD-based UI workflows for products and categories
- Improved UI consistency across desktop, tablet, and mobile devices

Personal Technical Experience

Arch Linux & Hyprland (Wayland)

- Configured Arch Linux with Hyprland as a daily development environment
- Built a keyboard-driven workflow using custom keybindings and workspace rules
- Managed dotfiles and system configuration following XDG standards
- Debugged Wayland, display manager, and system startup issues

PROJECTS

TODO App

Developed a task management application using HTML, CSS, and Vanilla JavaScript, allowing users to add, update, delete, and complete tasks. Implemented localStorage to persist data across browser sessions.

Expense Tracker

Built a responsive expense tracking application to manage income and expenses with real-time balance calculation, focusing on clean UI and CRUD functionality.

Weather App

Created a weather application that fetches and displays real-time weather data using public APIs, handling error states and dynamic UI updates.

CERTIFICATIONS

FreeCodeCamp – Legacy Responsive Web Design V8

Udemy – Full Stack Web Development Bootcamp (Angela Yu)
